# The program of CBP during World Dog Show

*ILL BE THERE*

Our member Dr. Kerstin Gerlach lives in Leipzig and has an – no, a lot of ideas and will provide our CBP Members and all other participants and their Berger des Pyrénées at the show, a program between those two exhibition dates:

**Thursday. 9<sup>th</sup>. of November 2017**

## Roundtrip in a historical bus

Together with Madame Kristin wearing her historical costume, fitting to the original Parisian City Bus from 1934 we will do a roundtrip for 2 hours driving through “Klein Paris”. Leipzig will be presented during this trip in an entertaining and amusing way. Or like Madame Kristin loves to say: “Mein Leipzig lob ich mir...”. With 30 km per hour you will travel with a bus, which is the only one who still has its original technic (like

motor and gearing mechanism) of 1934. You will be informed where the names like “little Venice”, “Pleiß-Athens” and “little Paris” come from and why we are “Coffee-Saxons” and where our “Drallewatsch” is. And you will get familiar with our specialities like Gose, Al-lasch, Leipziger Allerlei and Leipziger Lerche.

Leipzig the City of Art, Culture and Hospitality. Let yourself be surprised.
